

GP26

HONG KONG

- 26 ft built to ISAF Cat 4 offshore regulations affordable grand prix racer
- Designed with 500kg keel for crew weight 340kg (4-5 crew)
- 2 berths inside, 4 ft headroom
- Box Rule (custom options possible)
- New Design 2007, Class building in Europe and S America.
- 2 non overlapping headsails and 2 spinnakers (masthead and fractional reacher)
- **FAST and FUN**

It is the intention that the rules and specifications for the ORC Grand Prix Classes provide close racing without time allowance in grand prix competition and that the yachts designed to this rule be fast, sound and seaworthy, retaining thereby, with a minimum of modification, good value beyond their competitive life as grand prix racers.

THINKING OF GETTING 8M BOAT?.. THINK AGAIN...
GP26 CLASS COMING TO HONG KONG 2011
